THE COLOSONIAN

Mary Jane Baker 1957-58

Colosonian

1958

Jonesville High School

Jonesville, Virginia

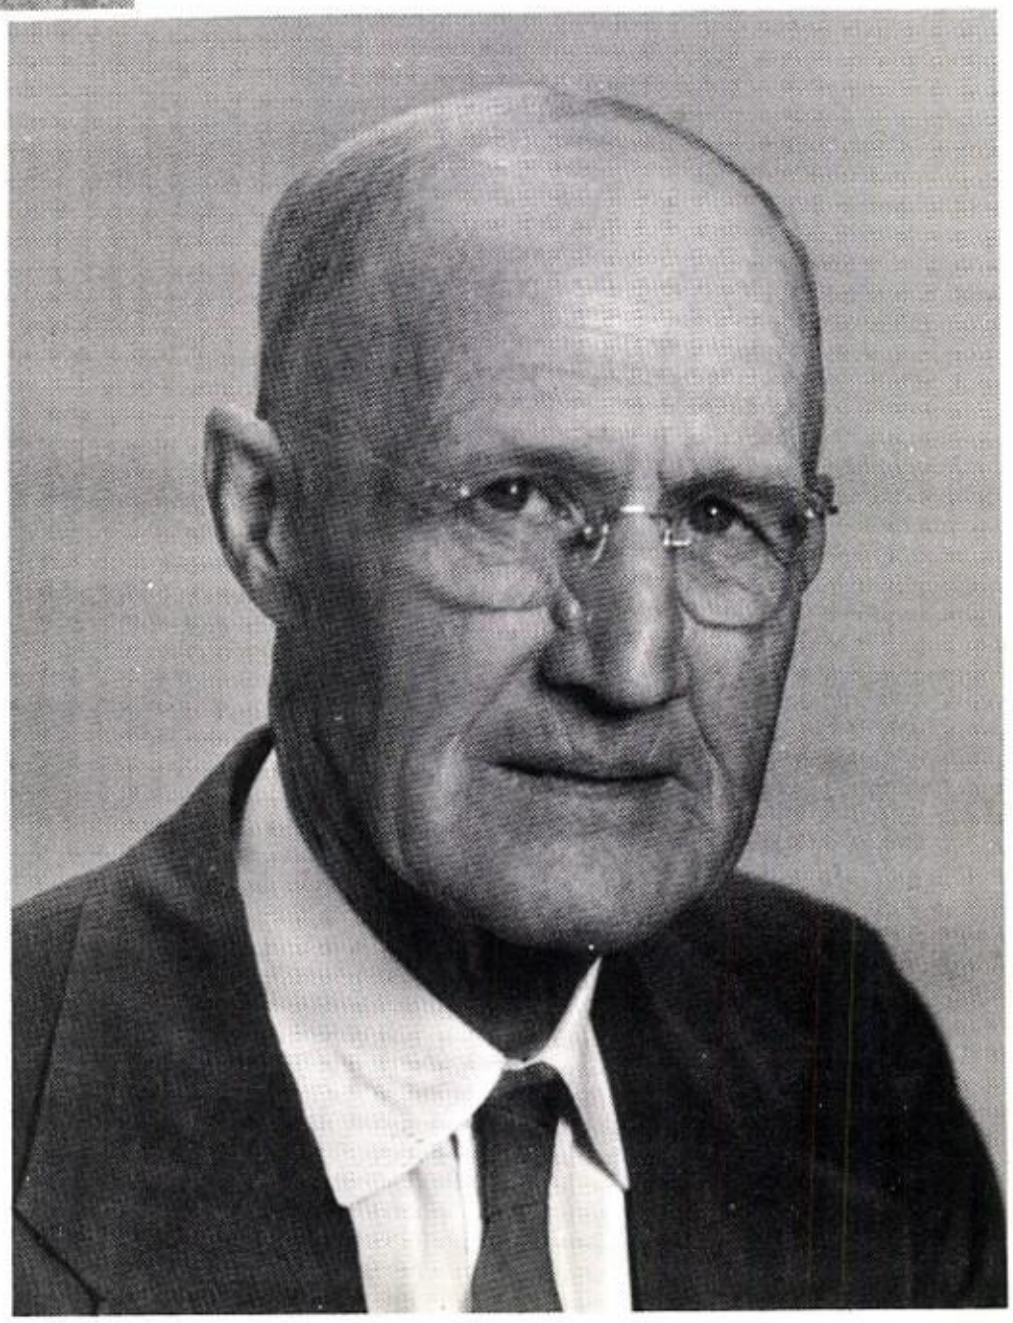
Jonesville High School completed in 1957.

We, the Seniors of 1957 so lovingly and respectfully dedicate this our COLOSONIAN to our beloved coach and teacher, William Ira Halstead, who through his kindness and keenness has led us through victory and defeat and has taught us to stand and smile as the winners go by.

During these years of service he has endeared himself to his school and community as few people are able to do. Ever a champion of high honor and sportsmanship among us, he has inspired our lives and dealings with others. "Coach" does not only play a part in the school athletics, but he is always willing to help in other school activities.

He is a graduate of Appalachian State Teachers College and has been our coach and teacher at Jonesville High School for the past five years.

Mr. CARSON L. ROBINETTE
Principal
Jonesville High School



Mr. S. J. SHELBURNE
Superintendent of Schools

Jonesville High School

CARSON L. ROBINETTE, PRINCIPAL

Jonesville, Virginia

To The Students Of Jonesville High School:

Building for the future is a difficult task. The future is so uncertain. The needs of today might not be needs of tomorrow. Values, too, change from one day to the next; so do plans, even the best made ones.

But make no mistakes. The future is only uncertain when you are unsure of the present. Tomorrow's needs are shaped by today's, And values that are really valuable never change.

The same with plans when they are built on solid principles, practice them and don't worry about the future.

Sincerely,
Carson L. Robinette
